17th Martyrdom Day

*Nation pays tributes to Bharat Ratan Shri Rajiv Gandhi
on his martyrdom day on 21st May*

This is one of our major achievements. We are today a democracy because we have established institutions, nurtured them and strengthened them. And if our society is to progress, it can only progress on the basis of strong institutions – none trying to pull down another but each trying to build up the other. And this is what we must all work for.

43rd Death Anniversary

*Nation pays tributes to the first Prime Minister of Independent India
on his death anniversary on 27 May*

"I marvel at my good fortune. To serve India in the battle for freedom is honour enough. To serve her under a leader like Mahatma Gandhi is doubly fortune. But to suffer for the dear country! What greater good fortune could befall an Indian, unless it is death for the cause or the full realisation of our glorious dream?"

-Jawaharlal Nehru
